## Minister's Letter

May 2013

Dear Friends,  
We don't often take the opportunity to celebrate our Methodist roots, but the Circuit Fresh Expressions group have decided to do that this year. On 24th and 25th May Fareham will be hosting a circuit interactive exhibition about the Holy Spirit and its effect on the founder of our Methodist part of God's church, John Wesley.

Pentecost and Aldersgate Sunday (the special Sunday celebrating John Wesley's conversion experience) occur on 19th May. Pentecost celebrates the birthday of the wider church when the disciples, blessed with the Holy Spirit, went out into the world to preach the gospel for the first time after Jesus crucifixion. On that day, very aptly, we are celebrating our church anniversary.

We have decided to celebrate the 275th anniversary of the conversion experience of John Wesley, starting on the actual day (24th May).

You are invited to take part in an interactive experience which will help you explore the role of the Holy Spirit, not only in John Wesley's life, but also in yours.

The exhibition/interactive/experience will be open at the church between 10:00am and 2:00pm on Friday 24th May and Saturday 25th May.

On Sunday 26th of May at 6:00pm we will be hosting a Circuit Service to explore and commemorate John Wesley's experience at Aldersgate.

We hope you will be able to come along and bring your friends.

God bless,

## **Vestry Jottings – May 2013**

We welcome Andrew Wilcock who joins the Steward team this month.

Our Church Anniversary service has been planned for Sunday 19 May and will be led by our own Minister, Rev Malcolm Groom. Malcolm was invited to take this service as it will be the last Church Anniversary before his retirement as our Minister. Being the third Sunday of the month, it will also be All Age worship.

The Stewards

### **Extract from the Stewards report to Annual Church meeting**

During the year 73 Sunday services have been held, including morning and evening services, led by 19 individuals and also the Fareham Team and Bridgemary Team which are made up of two groups of individuals. In addition to this was the Christmas Eve Communion and Christmas Day service and 11 Messy Church periods of worship.

One wedding, one baptism and three funerals have been held in the church.

Activities for Young People have included Junior Church on 1<sup>st</sup>, 2<sup>nd</sup> & 5<sup>th</sup> Sunday in the month, all age worship on the 3<sup>rd</sup> Sunday and KFC (Kids Fun Church) on 4<sup>th</sup> Sundays. In addition, there has been weekly Parent & Toddlers, Brownies, Guides, in the holidays a Craft Club and until last summer Youth Club. In February Messy Church celebrated its first Birthday. This activity for children and their parents or carers is held on the second Wednesday in the month from 4.00 pm – 6.00pm. Children learn simple Christian messages through fun, creative

(and sometimes messy) activities followed by a short time of worship and then a meal.

For adults regular activities have included Mini market, Ladies Night, Wednesday Fellowship, Thursday Coffee Morning, Singing Group, monthly Friday Lunch, monthly Sunday Lunch and various House Groups. There have also been occasional Film and Meal evenings.

During Holy week 2012 we saw the second Easter Labyrinth. Also in April was the Spring Fayre. In May we celebrated the Church Anniversary and also a Concert and meal was held from which the proceeds went to Christian Aid. In September we celebrated Harvest on Back to Church Sunday, with a Harvest lunch following the service.

At the beginning of December we remembered less fortunate children with our gifts of toys at our Toy service. Also in December was our well established Christmas Tree Festival followed by a number of events leading up to Christmas, including Carol singing at Knowle and an impromptu Nativity and Carols at the Podium in West Street.

I would like to thank everyone involved in the organisation of all these activities and events and to all the people who have attended them.

Jean Petter

### **THANK YOU!**

### **Thank You From The Stroke Club**

A very sincere thank you to Shirley Henderson who runs her mini market table in support of the Stroke club.

We are so grateful to her for her time and kindness.

Thank you to everyone who helped in any way to make the Stroke Club so successful - we raised £235. Without your help this would not have been possible.

Thank you to the Wednesday fellowship who have supported the Stroke Club as their charity and held the St. George's Day Tea on our behalf.

Once again a very big thank you to you all.

Your support has come at the very best of times. Because of the cut-backs we have not received our grant from H.C.C.

For any further information please contact Meg Cox or Marilyn Woodrow.

Thank you Marilyn Woodrow

***"Youth is the gift of nature, but age is a work of art".***

S J Lee, Poet and writer

So much of our contemporary media suggests that old age is a curse or a burden. The witness of Methodist Homes (MHA) is to God's gift of age, both to older people themselves and, through them, to wider church and community. As we celebrate our 70<sup>th</sup> anniversary year, the **2013 Methodist Homes Sunday Appeal on June 9<sup>th</sup>** asks how we ensure that these gifts are valued and shared in our communities.

Reflecting on the past 70 years offers a wonderful opportunity to give thanks for all the volunteers who have helped us to make life better for older people. We are delighted that their contribution has now been given royal approval, as MHA have been awarded the prestigious Queen's Diamond Jubilee Volunteering Award, equivalent to a corporate MBE

The expectations of older people have changed dramatically since MHA's launch in 1943, but the fundamentals of our approach remain consistent with the vision of our Methodist founders. We remember Moses' injunction to **'choose life' and** aim to make the later years of people's lives as meaningful as possible by continuing to place dignity and personal choice at the centre of all we do. Our hope and our prayer is that, as our work continues to develop to meet the needs of an increasing number of older people, the support of the Methodist people will continue to grow as well.

# Pilgrimage

for the emerging East Solent and Downs Circuit.

To celebrate the amalgamation of the present three circuits, a pilgrimage is being prepared, to visit each of the 23 congregations, to enable everyone to know where all the Churches are, to offer and receive hospitality and to pray for each place as we leave it. There are a number of ways to share in this adventure – walking, riding, driving, preparing hospitality, etc. It will be over eight days, **18<sup>th</sup> to 25<sup>th</sup> August** and people will be encouraged to share in at least one moment – journeying, sharing a meal, worshipping – along the way.

*Please watch out for further publicity, but note the dates now.*

There is a contact person in your Church. Ask who it is! Overall contact via David Rice, 01428 642787, [dnarice@btinternet.com](mailto:dnarice@btinternet.com)

## St BONA of PISA

May 29th

Bona was born in Pisa, Italy in 1156. When she was 14 she made her first journey, going to see her father who was fighting in the crusades near Jerusalem. On the way back she was captured by pirates in the Mediterranean. Rescued, she set out again, this time taking with her a large number of pilgrims to make the 1,000 mile journey to the shrine of St James at Compostella in Spain.

Bona became an official guide on this famous pilgrimage route and made the journey 9 times, "full of energy, helpful, and unselfish, ready to reassure with her smile those who were sick."

In recent times St Bona has come to be associated as the patron saint of travellers along with St Christopher; and in particular of couriers, guides and air-hostesses.

It was the festival of **PENTECOST** and the Apostles and other believers were all together when they heard a sound like a strong **wind** and saw what looked like tongues of **fire** which spread out and touched every person. All of them were filled with the **Holy Spirit** and began to talk in other languages as the Spirit enabled them. A crowd had gathered outside and each of them heard the believers speaking in their own language about the great things God had done.

*With Pentecost, the birthday of the Church, in mind,  
and all that that means, we liked the following....*

### **The U in JesUs**

Before U were thought of or time had begun,  
God even stuck U in the name of His Son.  
And each time U pray, you'll see it's true  
You can't spell out JesUs and not include U

You're a pretty big part of His wonderful name,  
For U, He was born; that's why He came.  
And His great love for U is the reason He died.  
It even takes U to spell crUcified.

Isn't it thrilling and splendidly grand  
He rose from the dead, with U in His plan?  
The stones split away, the gold trUmPet blew,  
and this word resUrrection is spelled with a U.

When JesUs left earth at His upward ascension,  
He felt there was one thing He just had to mention.  
"Now go into the world and tell them it's true  
That the love I have shown is not just for U."

So many great people are spelled with a U,  
Don't they have a right to know JesUs too?  
It all depends now on what U will do,  
He'd like them to know,  
But it all starts with U.

## **Methodists encouraged to stay ahead in blood and organ donation**

A new survey suggests that while individual church members may have a significant interest in donating blood and organs, the bigger picture shows that it is not encouraged by UK churches as part of their committed Christian giving.

The survey was conducted by Christian Research on behalf of Kore as part of the fleshandblood campaign launched earlier this year in partnership with NHS Blood and Transplant (NHSBT).

The survey shows that close to 10% of Christians have given blood in the last year compared to 4% of the general population who have given blood in the last two years, and almost half of all Christians are registered on the NHS Organ Donor Register compared with 31% of the general population.

Sponsored by Give.net and in association with denominations, organisations and festivals including the Church of England, Salvation Army, Methodist Church, United Reformed Church, Baptist Union of Great Britain, Hope and Evangelical Alliance, the fleshandblood campaign marks the first time NHS Blood and Transplant has worked alongside the Church on a national initiative of this kind.

## **Volunteering is good for your health**

Teenagers who volunteer to work for charity do themselves a lot of good. They become healthier, happier and thinner, according to a study based at the University of British Columbia. After only ten weeks, volunteer 15 and 16 year-olds showed lower levels of inflammation and cholesterol as well as a lower body mass index than the other group. They also reported that their self-esteem and mental health had improved.
