

Hi from the Junior Fun Church at Fareham Methodist Church

Today is the 3rd Sunday in Advent. It is sometimes used as an opportunity to think about Mary, the Mother of Jesus. What a responsibility she had and to ride on a donkey as far as from Fareham to London before giving birth!

Just as when you were born, your Mum didn't know what you might be like neither did Mary. Watch this video called Mary Did You Know?

Wow! What a reminder of how God came to show us all what he is like.

How have you changed since you were a baby?

What could you do when you were just 1? Or 2 or 3? What can you do now?

Our advent preparations make it a busy time getting ready for Christmas. How might you be able to help your Mum now you are the age you are?

You could try to play a Christmas game called 'Mary Did You Know?'

Take it in turns to say 2 things about you, one is true and one is not.

Can those playing with you guess the true thing and score a point, if not you get a point. Let everyone have the same number of turns then add up the points.

Enjoy!

Have a good week everyone!
