

# Hi from Junior Fun Church at Fareham Methodist Church

Have you ever seen this symbol?

What does it look like? A fish?

This simple fish shape was drawn as a secret symbol in the sand by some of the first followers of Jesus. You may have seen it on cars or as a badge.

The Greek word for fish is shown here with the Greek letters inside.

Each letter of the word can stand for **J**esus **C**hrist **S**on of **G**od **S**aviour which is why it is still used as a Christian symbol.

In the Bible reading for today from Mark's gospel, Jesus calls some of his disciples to follow him by leaving their jobs as fishermen and become 'fishers of men'. This means sharing the good news of Jesus with others. On the next sheet there is a blank fish symbol which you can print off to put a message inside or perhaps just the word Jesus to share in your home.

*Have a good week everyone!*
