

Hi from the Junior Fun Church

at Fareham Methodist Church

HAPPY Mother's DAY

Hooray for Mums on Mothers' Day!

Psalm 107, one of the Bible readings for today begins like this:

*Give thanks to the LORD, for he is good;
his love endures forever.*

It means that our God is good and that He will always love us.

Most of us are lucky enough to say something similar about our Mum so we may be able to say:

*Thank you, Mum, you are good to me and you love me and I
love you and wish you a very Happy Mother's Day!*

Hopefully, you will be able to make or do some of the activities in this month's Messy Church packs for your Mum. We hope that she and you have a good day.

Have a good week everyone!
