

Hi from the Junior Fun Church

at Fareham Methodist Church

If you think about the people you know and love, what is it about them that you really like? Is it what they say to you or is it what they do for you? The chances are it could be both but what someone does usually has much greater meaning than what someone says.

In one of the Bible readings for today, in the first letter of John Chapter 3 verses 16-24, John says:

Dear children, let us not love with words or speech but with actions and truth.

Can you think of something that your parent is often asking you to do? Can you surprise them by doing it before they ask you? That will be nice for them and shows that your actions are speaking louder than words. Maybe you can do something for a friend too.

Can you find the words from the picture above in this song?

Have a good week everyone!
