

*Hi from the Junior Fun Church*

*at Fareham Methodist Church*

*Life can be amazing!!!*

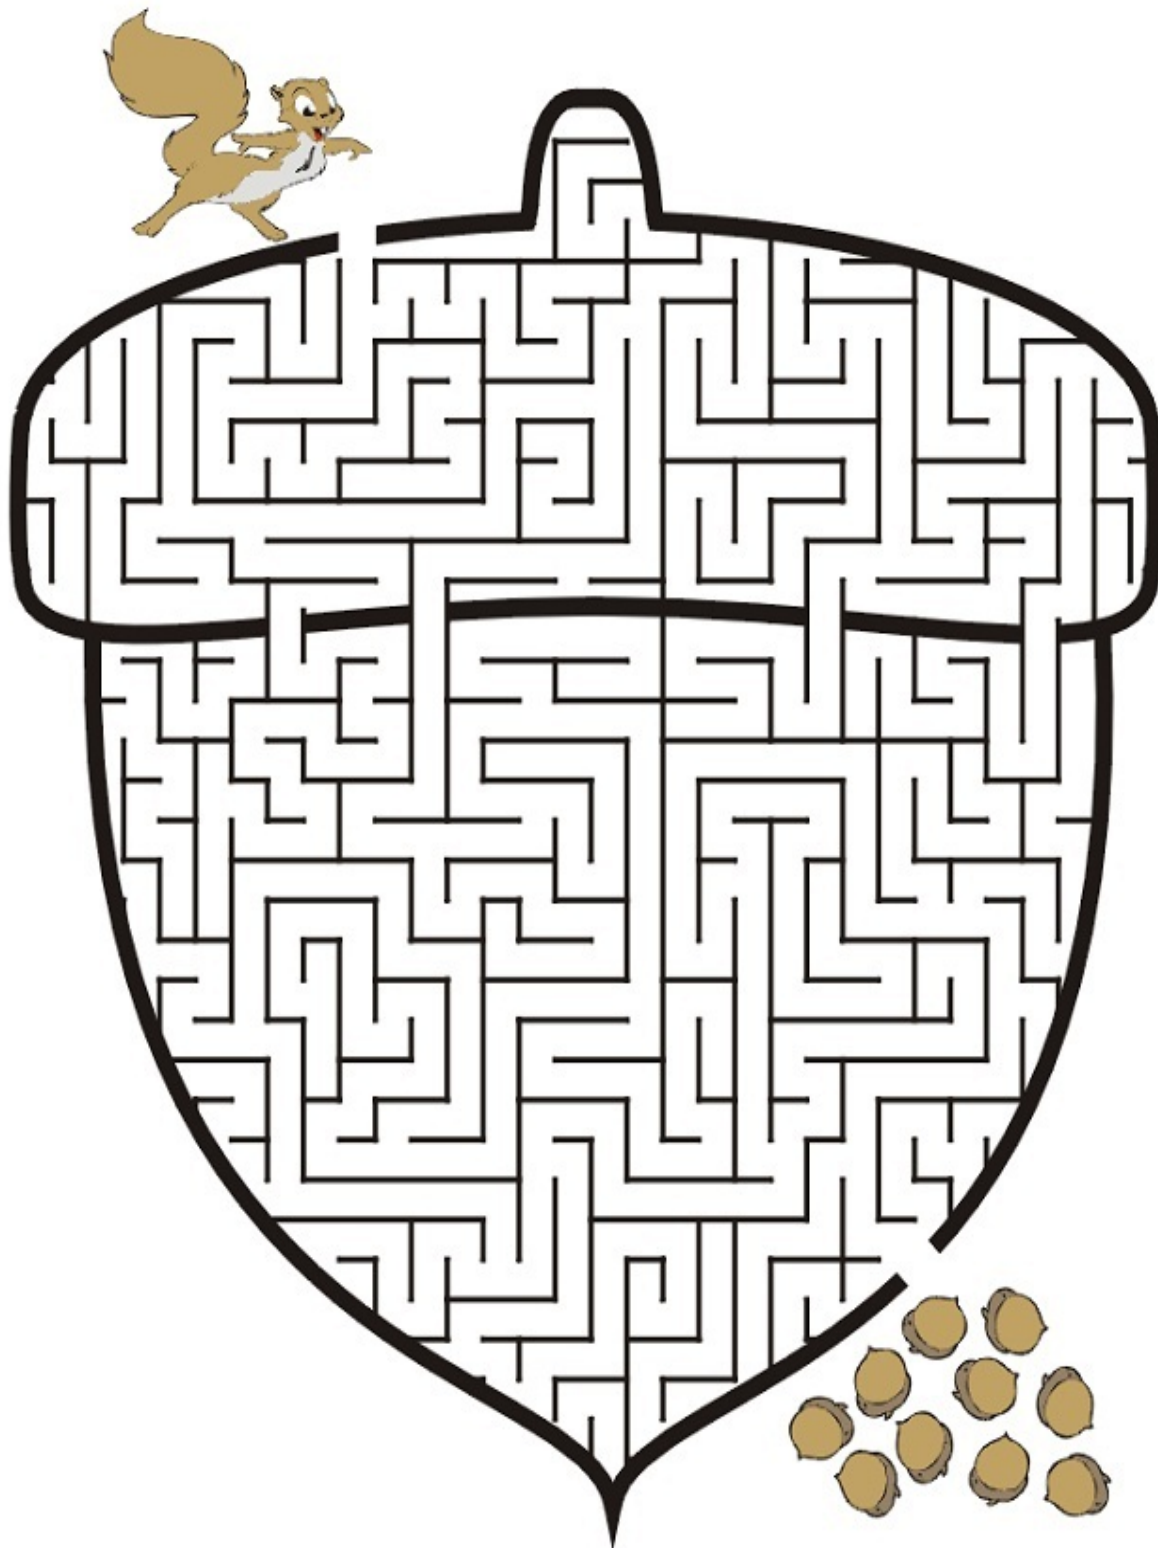

*Life can also be confusing and difficult and we can feel we are stuck in a maze like the boy in this photo. We might feel that we don't know which way to turn.*

*In today's Bible reading from John's Gospel Chapter 17, Jesus is praying for his disciples, that they will be kept safe once he has gone to be with God in heaven. In everything we do in our journey through the maze of life, Jesus is with us.*

*Have a good week everyone!*

*Now see if you can solve the puzzle below!*

Help the squirrel through the maze to find its acorns
